

"Libby Phillips has been running Music and Fun classes at Hawthorn Child Care Centre for many years.

A Music and Fun Class is a 40 Minute Music and Movement Class for Pre-School Children.

It is fun, vibrant, energetic, educational and full of surprises. It includes puppets, instruments, dancing, listening and singing. It is linked to the current syllabus covering all areas of musical learning. Each activity is cleverly designed to foster learning in an enjoyable way.

There are separate classes for toddlers and pre-school children. The Music and Fun Favourites CD / Download is now featuring on the ABC Kids Listen App / Digital Radio Station"
